DENISE COTE, District Judge:

On December 18, 2023, the defendants' Rule 702 motions regarding the plaintiffs' proposed general causation expert testimony were granted. An Order of January 16, 2024 provided that plaintiffs in any Member Case of this MDL in which an SFC was served on or after January 12, 2024 shall have 21 days from the date of service to show cause why summary judgment should

not be entered in favor of the defendants named in that Member Case for failure to 1) present admissible evidence of general causation; 2) show any error in the December 18, 2023 Rule 702 Opinion; and/or 3) show why the December 18, 2023 Rule 702 Opinion does not apply to their Member Case.

In a letter of May 22, 2025, counsel for defendant Johnson & Johnson Consumer Inc. informed the Court that defendants were served in the following eleven actions between March 28, 2025 and April 18, 2025: 25cv1898, 25cv1904, 25cv1905, 25cv1906, 25cv1909, 25cv1914, 25cv2218, 25cv2219, 25cv2221, 25cv2407, and 25cv2413. Because plaintiffs have not filed a show cause response in any of the above-captioned member cases, it is hereby

ORDERED that judgment is entered for defendants in Member Cases 25cv1898, 25cv1904, 25cv1905, 25cv1906, 25cv1909, 25cv1914, 25cv2218, 25cv2219, 25cv2221, 25cv2407, and 25cv2413, and the cases are dismissed with prejudice.

Dated: New York, New York  
May 23, 2025
